Product Description

Blue Diamond Attachments - Bale Squeeze - 2,000 lb Capacity

The Blue Diamond® Bale Squeeze is an excellent alternative to a bale spear, especially when using wrapped bales. This versatile skid steer and tractor attachment can pick up bales sitting flat or on their side. It opens to 72" at the tips, handling round hay bales up to 60" wide.

- Equalizer bar comes standard
 - Hoses and flat face couplers included
 - Handles up to 60" hay bales
 - Strong tubular design
 - 1-year warranty
 - Flat face couplers
 - Use on skid steers or tractors with universal mount
 - Opens to 72"
-
