Bigfoot Trailers - SUPER YETI 21K Equipment Trailer

Introducing the SUPER YETI Model Equipment Trailer: the pinnacle of trailers designed to conquer any job with ease. Boasting a formidable 21K GVWR and an impressive 16,500K payload capacity, this trailer stands as a true powerhouse ready to tackle the most demanding tasks. Crafted with a robust 10” I-Beam Frame, durability and reliability are at the forefront of its design. The full tongue lockable onboard storage box enhances security, providing peace of mind while on the go. Equipped with a resilient 25k 2-5/16 adjustable coupler with a pintle coupler option, this trailer ensures steadfast performance even under intense pressure.

Experience unmatched performance and reliability with the SUPER YETI Model Equipment Trailer, your trusted companion for every endeavor.
