Product Description

CID HIGH DUMP BUCKETS

The X-treme High Dump Bucket adds 3 ft. of dumping height for loading trucks and tall containers. Tall sides speed up cleanups, while side-mounted cylinders protect material space and simplify emptying. Available in widths from 60" to 96", it's ideal for poultry operations, bulk cleanup, and material handling. Built for skid steers up to 65 HP, it maximizes efficiency on every job.

Key Features:

- Extra 3 ft. of dumping height for tall loads
 - Available in 60", 72", 78", 84", and 96" widths
 - Tall sides for faster cleanup and maximum load capacity
 - Side-mounted cylinders protect material space and simplify cleanout
-
