Product Description

CID SEVERE DUTY

Take versatility to the next level with a bucket built for the toughest machines and heaviest workloads. The CID Severe Duty 4-in-1 Bucket is rated for 70+ HP skid steers and combines digging, loading, grading, and grappling in one extreme-duty attachment. Featuring dual 3" x 6" hydraulic cylinders, a massive 1" x 8" cutting edge, and a reinforced 4" x 1/2" rear edge, it's engineered to stand up to demanding applications in construction, land clearing, and site prep. With a taller, deeper build, 32" high and 35" deep closed, this bucket offers more capacity and strength where it matters most. Available in 72" to 84" widths, with optional welded teeth or a bolt-on edge depending on your needs.

Key Features:

- Available widths: 72", 78", 81", and 84"
 - Weights range from 1,203 lbs. (72") to 1,403 lbs. (84")
 - Height: 32", Depth: 35" (closed)
 - Rated for skid steers 70+ HP
 - Dual 3" x 6" hydraulic cylinders
 - Heavy-duty 1" x 8" front cutting edge with reinforced 4" x 1/2" rear edge
 - Optional welded teeth for digging (not compatible with bolt-on edge)
 - Optional bolt-on cutting edge for extended wear
 - Built for severe-duty digging, loading, grading, and grappling
-
