Product Description

CID Heavy Duty 4-N-1 Buckets

Dig, load, grade, and grapple with a stronger build designed for mid-sized skid steers. The CID Heavy Duty 4-in-1 Bucket is rated for 50-65 HP machines and comes equipped with dual 2.5" x 8" hydraulic cylinders for powerful clamping and control. A thicker 3/4" x 6" cutting edge provides added durability, while optional welded teeth or a bolt-on edge give flexibility depending on the job. Available in widths from 60" up to 84", this bucket delivers the strength to handle construction, landscaping, and property maintenance with one versatile tool.

Key Features:

- Available widths: 60", 63", 66", 72", 78", and 84"
 - Weights range from 748 lbs. (60") to 980 lbs. (84")
 - Height: 28", Depth: 30" (closed)
 - Rated for skid steers in the 50-65 HP range
 - Dual 2.5" x 8" hydraulic cylinders
 - Heavy-duty 3/4" x 6" cutting edge
 - Optional welded teeth for digging (not compatible with bolt-on edge)
 - Optional bolt-on front cutting edge for extended wear
 - Built for digging, loading, grading, and grappling with one attachment
-
