Product Description

IronCraft 300 Series: 5' Medium-Duty Smooth-Top Cutters W/RUBBER BELTING

The **IronCraft 300 Series** is engineered for versatile land management, bridging the gap between standard maintenance and heavy-duty clearing. Designed to handle weeds, thick grass, and **brush up to 2" in diameter**, these cutters are the perfect match for tractors ranging from **32 to 90 PTO horsepower**.

Available in 60" (5') and 72" (6') working widths, the 300 Series features a **smooth-top deck design**. This innovation prevents debris and water from pooling, significantly reducing rust and making post-job cleanup effortless.

Key Performance & Safety Features

- **Impact Protection:** Dual free-swinging blades on a single spindle reduce shock when hitting stationary objects.
- **Driveline Security:** Standard slip clutch protection and series 4 PTO drive shaft ensure gearbox longevity.
- **Robust Build:** Constructed with a 10-gauge steel deck and 1/2" plate blade holders for maximum durability.
- **Low Maintenance:** Features replaceable skid shoes and a greaseable hub for the 15" laminated tailwheel.

Technical Specifications (Model 305)

- **Working Width:** 60" (5 Feet)
- **HP Requirement:** 32 - 90 PTO HP
- **Cutting Capacity:** Up to 2" diameter material
- **Deck Thickness:** Heavy-duty 10 GA steel
- **Gearbox Rating:** High-torque 100 HP gearbox

Drivetrain & Hardware Details

- **Blade System:** 1/2" x 3" blades with 13,000 FPM (Feet Per Minute) tip speed
- **Hitch Type:** Category 1 (Cat 1) compatibility

- **Tailwheel:** 15" Laminated tire with a greaseable hub
- **Side Bands:** 8-1/2" depth for improved material flow
- **Operating Speed:** 540 RPM PTO

Warranty & Safety Options

- **Gearbox Warranty:** 5-Year Limited Warranty for peace of mind
 - **Standard Guarding:** Includes driveline and clutch shields
 - **Optional Guarding:** Customizable with rubber guards or safety chains (front and rear)
-
