Product Description

IronCraft QH Series: Category 1 Quick Hitch Adapter

The **IronCraft QH-1** is a heavy-duty **Category 1 Quick Hitch** designed to transform how you manage your implements. Engineered for tractors up to **50 HP**, this adapter allows you to switch between 3-point attachments in seconds, eliminating the physical strain and downtime associated with traditional hitching methods.

Built for maximum compatibility, the QH-1 works seamlessly with all **Category 1 IronCraft products**, including PTO-driven implements. Whether you are swapping a rotary cutter for a box blade, this system ensures a secure, perfectly aligned connection every time you back up to a new tool.

Efficiency & Safety Performance Features

- **Rapid Attachment Changes:** Reduce hitching and releasing time from minutes to seconds, allowing you to stay in the seat and stay productive.
- **Spring-Loaded Locking Handles:** Dual high-tension handles provide a positive lock, ensuring your implements stay securely fastened during heavy-duty operation.
- **Adjustable Top Link Hook:** Features an adjustable height setting to accommodate a wide variety of implement mast heights and geometries.
- **Complete Mounting Kit:** Includes a full set of **adapter bushings** to ensure a snug, rattle-free fit with your existing Category 1 tools.

Technical Specifications (Model QH-1)

- **Hitch Compatibility:** Category 1 (Cat 1)
- **Maximum Lift Capacity:** 880 lbs
- **Tractor Power Rating:** Recommended for 50 HP or less
- **Dimensions:** 30" x 8" x 24"
- **Unit Weight:** 68 lbs
- **Mounting Style:** Standard 3-Point Quick Attach

Primary Utility & Time-Saving Applications

- **Multi-Tool Management:** Ideal for property owners who frequently switch between mowers, blades,

rakes, and tillers.

- **One-Person Operation:** Enables a single operator to hitch and unhitch heavy implements without needing to manually manhandle lift arms into place.
 - **PTO Implement Compatibility:** Designed with enough clearance to allow for easy driveline attachment on powered implements.
 - **Estate & Farm Maintenance:** Streamline your workflow during busy seasons when every minute in the field counts.
-
