Product Description

IronCraft SGM Series: 6' Professional Finishing Mower

The **IronCraft SGM6** is an elite-tier **72" Finishing Mower** engineered for those who demand superior cutting quality on turf surfaces and expansive, well-maintained lawns. Designed for tractors with **35 to 45 PTO horsepower**, this grooming mower is the go-to solution for golf courses, large estates, municipalities, and commercial landscaping operations.

Built for precision and longevity, the SGM Series features a **Category 1 three-point hitch** and a rugged 7-gauge steel deck. Whether you are a rancher maintaining a homestead or a professional groundskeeper, this mower provides the refined finish and reliability needed for high-visibility turf management.

Key Performance & Turf Grooming Features

- **Superior Cut Quality:** Precision-engineered for a clean, golf-course-style finish on established turf.
- **Standard Front Roller:** Includes a front roller as standard equipment to prevent scalping and ensure an even cut across undulating terrain.
- **Three-Blade System:** Features a high-speed, three-blade configuration for maximum clipping dispersal and a smooth finish.
- **Durable Belt Drive:** Utilizes a 2-belt drive system to absorb shock and protect the tractor's driveline.
